

126 lb State Champion Jona Dudoit

Jona Dudoit brought the Moloka'i magic as he captured the 126 lb State Champion Title with a win by decision over Pearl City's BJ Bicoy at the 2026 HHSAA Tournament held on February 28, 2026.

This marks the first title win in Farmer's Boys High School Wrestling since 2005. A title Jona has been chasing for the last 4 years.

From the boat rides to Maui from Moloka'i to get extra reps in, to putting in countless hours of training, Jona, your commitment to the sport is an embodiment of the ideal athlete.

It's evident Jona's success is the result of his hard work and determination to be 1% better every day.

CONGRATULATIONS JONA on your well deserved accomplishment. You have represented Moloka'i, your family, wrestling peers, coaches and school well. We are proud of you!

Way to Go!!

MAHALO!!

A huge mahalo to the parents and guardians who continue to support your athlete on their wrestling journey.

Your unconditional love and sacrifice is appreciated. Mahalo for submitting photos.

H.W.F RECAP

Hawaii Wrestling Foundation did it again! We started 2026 with a bang by hosting two amazing clinics for Maui's wrestlers.

In January we hosted a clinic featuring Roman Bravo Young. In February we hosted a clinic featuring Bryan Scambler. Both clinics were a success reaching maximum attendance.

It is our mission to help elevate the performance of young wrestling athletes by partnering with world renowned wrestling champions to provide these opportunities.

Mahalo to all attendees, coaches, and families who helped make these events a success.
